PRIME
HARDCORE SPORTS NUTRITION

BRAND PRESENTATION FOR MEGA IMAGE

Sports nutrition from Romania, for every day.

Prime Supplements: protein, creatine, protein bars and functional foods, made in the European Union.

WHO WE ARE

A Romanian sports nutrition brand from Sibiu.

Prime Supplements was born in the weight room and grew online, on primesupplements.ro, and in gyms across Romania. The products are made in the European Union, with Romanian labels and only EU-authorised health claims.

- **55+** products: protein, creatine, amino acids, pre-workout, vitamins and minerals, functional foods, accessories
- **100+** blog articles explaining each product, the dose and when to take it
- **Partner gyms** with a Prime shelf and a dedicated sales agent
- **Active community** on Instagram, Facebook, TikTok and YouTube

BRAND IDENTITY

Direct, athletic, trustworthy.

POSITIONING

European-quality supplements, explained in plain language, with a fair balance between quality and accessibility. For people who train and for people who simply want to eat better.

TONE OF VOICE

We speak clearly, without empty promises: what the product contains, how much to take and when. Only EU-authorised health claims.

Performance. Clarity. Accessible.
